

In the Specification:

Please replace the paragraph beginning on line 24 of page 1, and ending on line 4 of page 2, with the following new paragraph:

However, since the data is digitized, it is easy to make duplicates of the data, resulting in a flood of duplicates with the quality equivalent to that of the original. This ~~eases~~ causes danger of threatening all rights of suppliers from which digital contents are distributed through the network, acting as a brake on advances in this field.
